

REILLY GREEN MOUNTAIN PLATFORM TENNIS

SETTING THE STANDARD IN PLATFORM TENNIS

WARMING HUTS—ENJOY THE GAME

Platform tennis is one of the most social of the racquet sports and warming huts are the perfect addition to any paddle facility.

In fact, the level of play rises with the addition of a warming hut. Players have an area to congregate inside, discuss their game and view other matches in progress.

We offer free standing, prefabricated, engineered custom design warming huts meeting your needs and budget.

NEW COURTS

With over 50 years, two U.S. design patents and thousands of installations in the U.S. and abroad, our courts provide players the best in play.

Reilly Green Mountain employs highly skilled craftsmen

who fabricate your all aluminum court in our state-of-the-art factory ensuring built-in plant quality control prior to shipment.

Reilly Green Mountain screen tension system prolongs screen life by employing shock absorber type springs to cushion impact. Special composite posi-lock snowboards are safe, attractive, durable, and easy to

CERTIFIED PRE-OWNED COURTS

Whether you are looking to add a complimentary court at your club or install a court in your backyard, Reilly Green Mountain has the ideal court for you.

Reilly Green Mountain has the largest selection of pre-owned courts in the industry. Our Certified Pre-owned courts go through a unique, rigorous Eight-Step Refurbishment and Certification Process.
